We are dedicating this annual in the memory of Mr. Weary, a former teacher at Tempe Union High School. His untiring devotion as a teacher, sponsor of the annual, and as a friend will always be cherished and remembered by those of us who knew him best.

When Mr. Weary came here in 1946 he taught general mathematics and civics, but by 1950 he was teaching only geometry and general business, both of which he enjoyed very much. In 1949 he was appointed sponsor of the annual and continued to serve faithfully until 1953. Besides being sponsor of the annual he was also the photographer for several years. He gave up much of his free time to develop and print pictures to meet deadlines.

In the remainder of his free time and during the summer months he was a partner with his brother in the contracting business.

In so far as anyone could, Mr. Weary emulated the Teacher. He was devout and had definite convictions, which he never compromised.

He lived for an ideal and that ideal was teaching. He took infinite pains with his students and their work, such as filing the work of every one of his students in separate folders.

All that he did was never recognized by a great majority of his students and he was never paid for all the extra work he did. His record of service exceeds any compensation. We are reminded of Longfellow's words:

Through long days of labor
And nights devoid of ease,
Still heard in his soul the music
Of wonderful melodies.

These wonderful melodies continue as the inspiration of those who dedicate this annual to Mr. Weary, teacher and friend.

Memorial

BILLY HOGG

A member of the student body of Tempe Union High School, Billy Hogg proved his ability as a superior athlete, but to his schoolmates far greater was his everyday good sportsmanship.

We will not soon forget Billy's good humor, constant helpfulness, and spirit of fair play.

He had a great capacity for friendship—that's why young and old; in school or community life; everyone knew and enjoyed Billy's companionship. He is still our friend and for his contribution to Tempe Union High School we dedicate this page to Billy Hogg.

Memorial

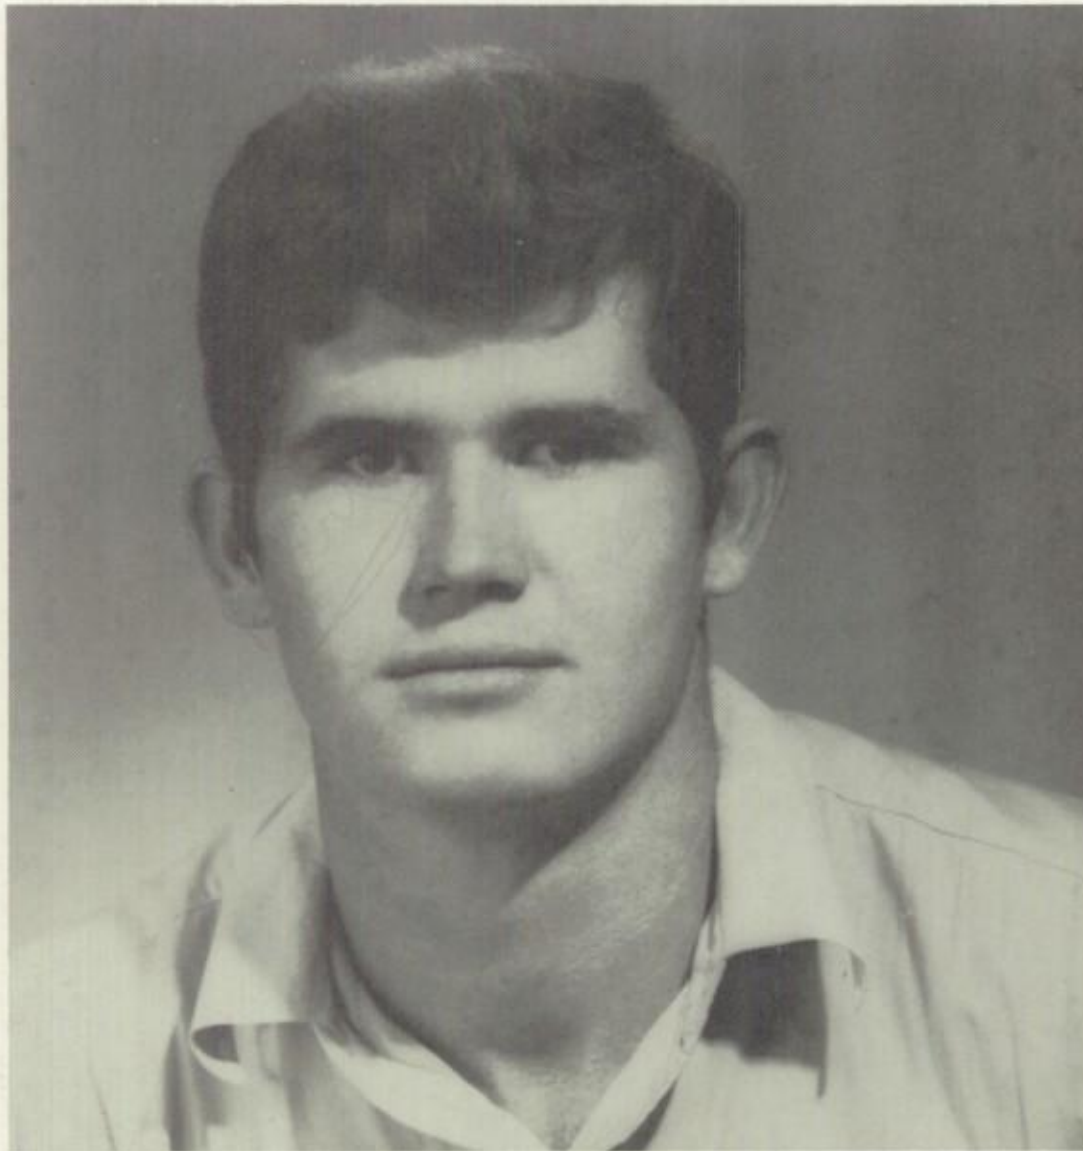

Dolores Lola Gonzales

The report of the passing of Lola Gonzales brings a sense of genuine loss to our school. She will long be remembered for her personality and the good sportsmanship she always exhibited.

A member of the sophomore class, Lola was liked and respected by all those who knew her.

Memorial

Bernard Harper

Bernard will remain in our memory as a hard working boy who took his studies seriously. He liked sports and was on the varsity football team this past year. He was always friendly and everyone liked him. He had a contagious laugh and seemed to have a keen sense of humor.

Although Bernard Harper was not known to all the students his death brought a genuine sense of loss to the student body.

In Tribute

Seated: Mr. Benedict, Mr. Ramsey, Mr. Owens. Standing: Mr. Moeur, Mr. Reeves, Mr. McMillian.

To The

Board Of Education

We, the students of Tempe Union High School, express to the Board of Education, and the whole community which they represent, our appreciation for the very fine facilities that we now have, and the consideration we have received.

Three years ago to the members of the board a new high school was but a dream, a vision which has now become a reality. The task remaining before them and us is still huge as work is being continued on landscaping and further plans for expansion which includes an auditorium, gymnasium, additional classrooms now completed. Our gratitude is unlimited to the great efforts which they have made in our behalf.

Seated: Harry Hallickson, Kenny Rivers, Bobby Bloom, Paul Aldridge, Verline Bosworth, Al Williams, Niki Means. **Standing:** Mr. Boyle, Dave Pilcher, Buddy Bateman, Mimi Means, Dixie Randall, Helen Skok, Mark Westervelt, Mike Goodwin, Tony Chavez.

Student Council

This year the student council has had an exceptional year. Being in the new school has created many problems. To cope with these problems the officers and members have all had to contribute and do their share. It can safely be said that all of them have done their best and the classes, which they represent, can be proud of their representatives.

Each year the student council members and their dates have an annual picnic. Besides this they sponsor the March of Dimes drive at T.U.H.S., sponsor a dance, and hold numerous other activities. They also are in charge of the snack bar. The proceeds from this goes into the student council fund, which pays for a part of the cheerleaders' uniforms and extra things the school might need, such as flowers and operating the coke machines.

Cafeteria

If you were to wander in the cafeteria some day at noon, you might see this familiar scene.

This is the first year Tempe Union School has had a cafeteria and it has proved to be a great success. Mrs. Gammage and her staff have done their best to please the students, achieving this success. They have served balanced and attractive meals. Not only are they friendly, but also cordial and courteous to the students.

Custodians

The cafeteria is used for banquets, dinners, parties, and numerous other things. It has been indispensable this past year.

Besides sweeping and washing windows the custodians also do yard work, wax and polish the floors and many other jobs such as these. Though not as well known to the students as the cafeteria staff their jobs are, none the less, just as important.

The cafeteria staff are hard workers as evidenced by this picture.

Senior Officers

Mimi Means, **Girls' Representative**; Mary Scott, **Vice President**; Frieda Hallickson, **Secretary**; Mark Westervelt, **Boys' Representative**; Al Williams, **President**.

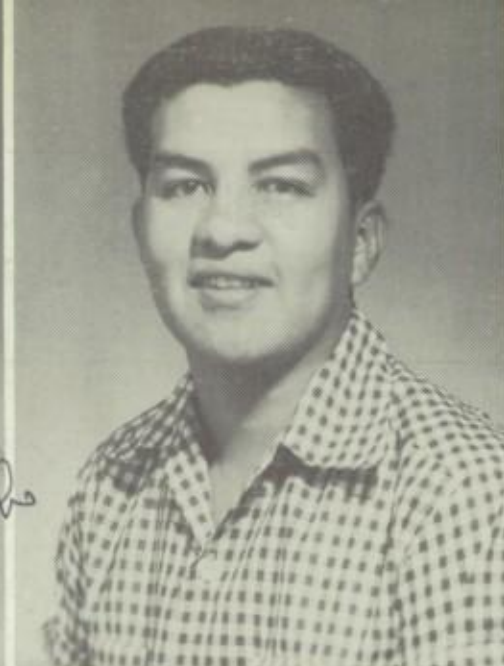

The Senior Class has at last reached its destiny. After many hardships and struggles we have finally completed four successful years of high school.

During our Sophomore year we originated a slave day which has become an annual event. In our Junior year we were very proud of the prom and banquet we gave the Seniors at the Westward Ho Hotel. One of the events of our Senior year which everybody looks forward to is our ditch day.

The plays presented by our class were "Here Comes Charlie" and "Take Care of My Little Girl."

One of our nicest privileges was that we were the first class to graduate from the new Tempe Union High School. We want to thank our teachers, our advisors and Mr. Benedict for all the help they gave us.

Best wishes and good luck to the underclassmen!

JUNIORS

Junior Officers

Jim Sims, Vice President; Andrew Nichols, Secretary; Helen Skok, Girls' Representative; Buddy Bateman, President; Dave Pilcher, Boys' Representative.

The Junior Class has accomplished a year's work of successful projects. Some of these include: a pennant sale, the annual Junior-Senior Prom and the usual dances and pep-rallies. The presentation of a class play entitled "Men Are Like Streetcars" in which everyone worked diligently to make a success.

We wish to express our deepest regrets and sympathies for a loyal member of the class, Bernard Harper, whom we will always remember.

We are setting our hopes and goals for our last year of high school, with the idea of having a better class which gained knowledge and experience to help us in our future efforts.

Some members of the Annual Staff

Roann Scott, Barbara Jenner

Jo Jo Craddock, Mr. Warnken, Kathleen Goodwin,

The aim of every yearbook editor is to present to the students a better annual than in previous years. Our staff has put forth many hours of work for the "Horizon" and though it may not be our best, we have done our best to make it so.

I want to express my gratitude to all the staff members who worked so diligently on this 1954 yearbook. Without them this annual would not be what it is. Special thanks go to my assistant editor, Kathleen Goodwin. She gave up many things to work on the annual and under her editorship the 1955 edition of the Horizon is sure to be one of the best.

Pictured on this page are the backstage crew of the Annual Staff. Although you may have come in contact with the photographers, it would be impossible to realize just how much work goes into developing and printing pictures. Mr. Corno, Harvey, and Melvin have done a fine job.

Roann Scott and Barbara Jenner have also done more than their share of the work. No matter how much work was piled on them they managed to get it done.

Buffalo Staff

As beginners in September, eleven journalists have made history this year, organizing a staff and beginning regular publication of the "BUFFALO." Starting as a mimeographed paper, Vol. 1, No. 5 was presented to the Student Body on December 23 as the first printed newspaper in the history of the high school. It is published bi-weekly, sold to the students on a subscription basis, and is entirely self-sustaining, using no school funds whatever.

On April 3 the staff sponsored the first annual "Press Ball." The "BUFFALO" has endorsed the Exchange Student Program, ballroom dancing lessons, and has waged a continuous campaign for safe driving by teenagers. The mail edition of the paper now numbers seventy-five and the paper is sent to all parts of the U. S. and to three foreign countries.

Girls League is an organization to which every girl in the school belongs. This is primarily a service organization. In December we furnish a Christmas Box for some needy family. In the spring we have an All Girls Dinner and a Senior Mother Daughter Banquet. Also during the year there are three conventions, each at a different school. This gives the girls a chance to become acquainted with other girls from all over the state. We also sponsor a dance, pep rally, Kiddie Day, and other things to provide entertainment and recreation for the High School.

Y-Teens

Pat Andrews, vice president, Janice Selleh, secretary, Gail Blalock, treasurer and Rosalind McMillan, president.

To start out one of the most active years in Y-Teens' history at THS, one hundred enthusiastic girls turned out for the first meeting. First on the calendar of events was the annual car-wash which was a big success. A conference of all the Y-Teen clubs in the valley was held at the Boy Scout Pueblo, October 10th and 11th. Five girls represented the Tempe club. Another huge success of the year was the Glendale football dance with music provided by the Sun Devil Dance Band.

The initiation of new members was called Sunday Best Day where all the initiates were required to wear hats, heels and hose. The recognition service and Thanksgiving dinner was held at Harman's Ranch Restaurant. Three other projects in October and November were, serving at the Red Feather Kickoff, providing information booths at Open House and making a scarf to be sent to Brazil for the Scarfs Around the World project of the Y.W.C.A.

On December 16, the Y-Teens decorated the school for Christmas and had their annual party with gift exchanging. They also had a part to do in the Christmas assembly, December 23. Projects for the rest of the year were, a taffy-pull in January with the Hi-Y boys, a Valentine formal for Y-Teen members and dates, a bake sale in March and a trip to Rosemary Lodge, April 9th and 10th.

The Hi-Y is a club that emphasizes clean living, clean speech, and clean sportsmanship. We are forty-three members strong and everyone has taken part in one activity or another.

The club had two projects this year, one was to sell Christmas cards for the Y.M.C.A. World Service program and the other was helping to coach and officiate the little league basketball.

Among our many activities this year was participating in the Hi-Y basketball tournament, participating in the Hi-Y Model Legislature, sponsoring a dance, and having numerous parties.

Unification and organization of this club has brought forth a new name, which is "Spanish American Club." It's membership embraces not only the Spanish speaking, but all students who are interested in Spanish Language and Culture.

Plans for the year included annual picnic, parties and the "Biggest and Best Dance of the Year."

The club has been sponsored by Miss Ida Price, who has worked very hard, using her own time to make this club a success which we feel it is. Thanks to Miss Price.

Latin Club

Duane Cookus, Russell Gunderson, Andrew Nichols.

This year the Latin Club went through many changes.

For the first few months it's advisor Mr. Walsh, kept it pretty much under his wing. Under his directing the name of the Club was changed to Legio Romunorum or Legion of the Romans. A new constitution was adopted and new officers were elected.

Legio Romunorum was then turned over to its officers who strived to make clearer an understanding of Roman culture.

The officers elected this year were Russell Gunderson, President and Sue Westervelt, Secretary.

F. H. A.

F.H.A. corner in the Home Economics Lounge.

F. H. A. is primarily an organization for girls who take home economics, but other girls can join. The Future Homemakers of America is a national organization and has members in America.

In F. H. A. the girls have a chance to better the relationship in their families and to become better citizens by participating in school and community activities. They do this by working on degrees, which encourage these projects.

Mrs. Oakley, who is the sponsor, has given to the club much time and effort. The members wish to express their appreciation for all she has done for them and F. H. A.

A newly organized Science Club, Echoes of Einstein, was formed this year at Tempe Union High School. Miss Huey was named the sponsor and the officers who were elected were: Ben Givandan, president; Jean Hollenbeak, vice-president; Lucy Ball, secretary; Ford Holtzman, science scout. The purpose of the club is to increase knowledge of science.

The members worked on individual projects for a science fair which was held in April. Students entering from Tempe were Gail and John Blalock, Jack Foster, Ben Givaudan and several Freshmen. Miss Huey helped the students in their work, but she could only give them advice because the projects had to be their own creations.

Quill and Scroll

Quill and Scroll is newest official honorary organization at THS. A charter was granted in the fall of 1953, and the first meeting, and initiation banquet was held in Phoenix on March 17, 1954. The Executive Secretary of the International Quill and Scroll Society, an Honorary Society for High School Journalists, approved the entire 11 member staff of the "BUFFALO" as candidates for membership after submission of writing samples and approval of the journalism sponsor.

Attending the initiation banquet as honored guests were: Mr. and Mrs. Benedict, Miss Della Martin, Mr. and Mrs. Warnken, Mr. Corno, Miss Jo Jo Craddock and Miss Kathleen Goodwin. Miss Della Martin was selected as Honorary Sponsor at the first business meeting, and the Chapter is officially listed as the Della Martin Chapter of the Quill and Scroll Society. Permanent officers will be elected next September. Mr. Warnken is named as Founding Sponsor.

This picture was taken at the Quill and Scroll initiation dinner. The guests were Mr. and Mrs. Benidict, Della Martin, Mr. Corno, Mrs. Warnken, Jo Jo Craddock, and Kathleen Goodwin.

The officers are from left to right: Lois Coppinger, secretary-treasurer; Karen Mount, vice president; John Blythe, president; and Miss Jones, sponsor.

These three officers are all very interested in dramatics. Karen Mount, who had the lead in *Take Care of My Little Girl*, has also starred in several Little Theater Plays. Lois is very good at dramatic readings and has done several in assemblies and talent shows. She was also in the senior and the junior play. John too took a lead role along with Karen in the senior play. Besides being in the play he also planned the set, along with Miss Jones.

At the beginning of the year the Thespians had only a few members, but by the end of the year had increased the number four times.

During the first semester we attended several plays at Phoenix Little Theater and Arizona State College. Second semester we sponsored a night of one act plays; the best one of which was used in The Valley Speech Festival.

The officers were: President, Phyllis Hebner; Vice President, Barbara Clemens; and Secretary-Treasurer, Beverly Clemens.

Cheerleaders and Buffalo Gals

Cheerleading is not all fun, because it takes constant effort and practice on the part of the Cheerleaders to enable them to stay together. Their job is to promote school spirit among all the students. Although the spirit this year wasn't quite up to par, Marilyn, Jerri, Katie, and Glenda all did a swell job.

Because Katie had to join her parents in California we were left only momentarily without a cheerleader. We were fortunate to have as a runner-up a girl who could learn all the cheers on such short notice. We the students, salute Glenda Roberts for her accomplishment.

Ten pom-pom girls are selected by Miss Price and other judges at the end of the year for the following year. All the routines are made up by the girls. Because of these original routines our pom-pom girls are considered some of the best in the state. They are always ready and willing to entertain us at our football and basketball games.

Lettermen Club

The Tempe Lettermen's Club is made up of boys who letter in the various sports—football, basketball, track, tennis—and their managers. There is no distinction as to what class the boys are in. If they letter in a sport when they are freshmen then they can become a member at the end of that year.

With the money that was made from the concessions stand at the football games, they bought new uniforms for the Buffalo Gals. This has also been done in the past two years.

At the end of each year the boys who are eligible to join the club are given a big initiation. The boys are made to do various things, but the initiation the past year or so has been relatively mild compared to previous years. This event is followed by a father and son banquet which is a very nice affair.

A new constitution has been written for the club. It promises to make the club into a better organization for the boys who do letter in sports.

A good team is one that exhibits sportsmanship no matter if games are won or lost. Though the Buffaloes did not win a game they showed the students that they tried their best by their attitude of "we'll win the next one for sure." The next one was always the same story, but they took each defeat like a trooper.

Several boys will be graduating, but an enthusiastic group of juniors and seniors will be taking their places. These boys will have to tackle schools from a different conference. Although the competition will be stiffer the coaches are looking forward to a good year.

Mike Moeur, Connie Smith, Tom Motz, and Bobbie Glover made all-conference this year. Connie also got honorable mention for all-state.

Casa Grande 33-6

September 18, the Buffaloes opened the season with their old rivals, the Casa Grande Cougars.

In the first quarter Connie Smith recovered a fumble in the end-zone to tie the game 6-6, but the Cougars only bounced back harder. The Buffaloes losing so many lettermen from the class of 1953 did not help matters any.

Miami 20-0

On October 9 the Buffaloes traveled to Miami for their third game away from home. The Buffs played a rough and tough game, the score 0-0 for the first half. During the second half Miami went ahead to score three touchdowns. It was a thrilling and exciting game for both the players and spectators.

Nogales 26-12

On September 25 the Buffaloes traveled to the border city of Nogales to meet the Nogales Apaches. The Apaches were really on the war path, but the Buffs gave them the battle of their lives. Mike Alvarez ran 60 yards for the first touchdown and Mike Moeur made the other touchdown.

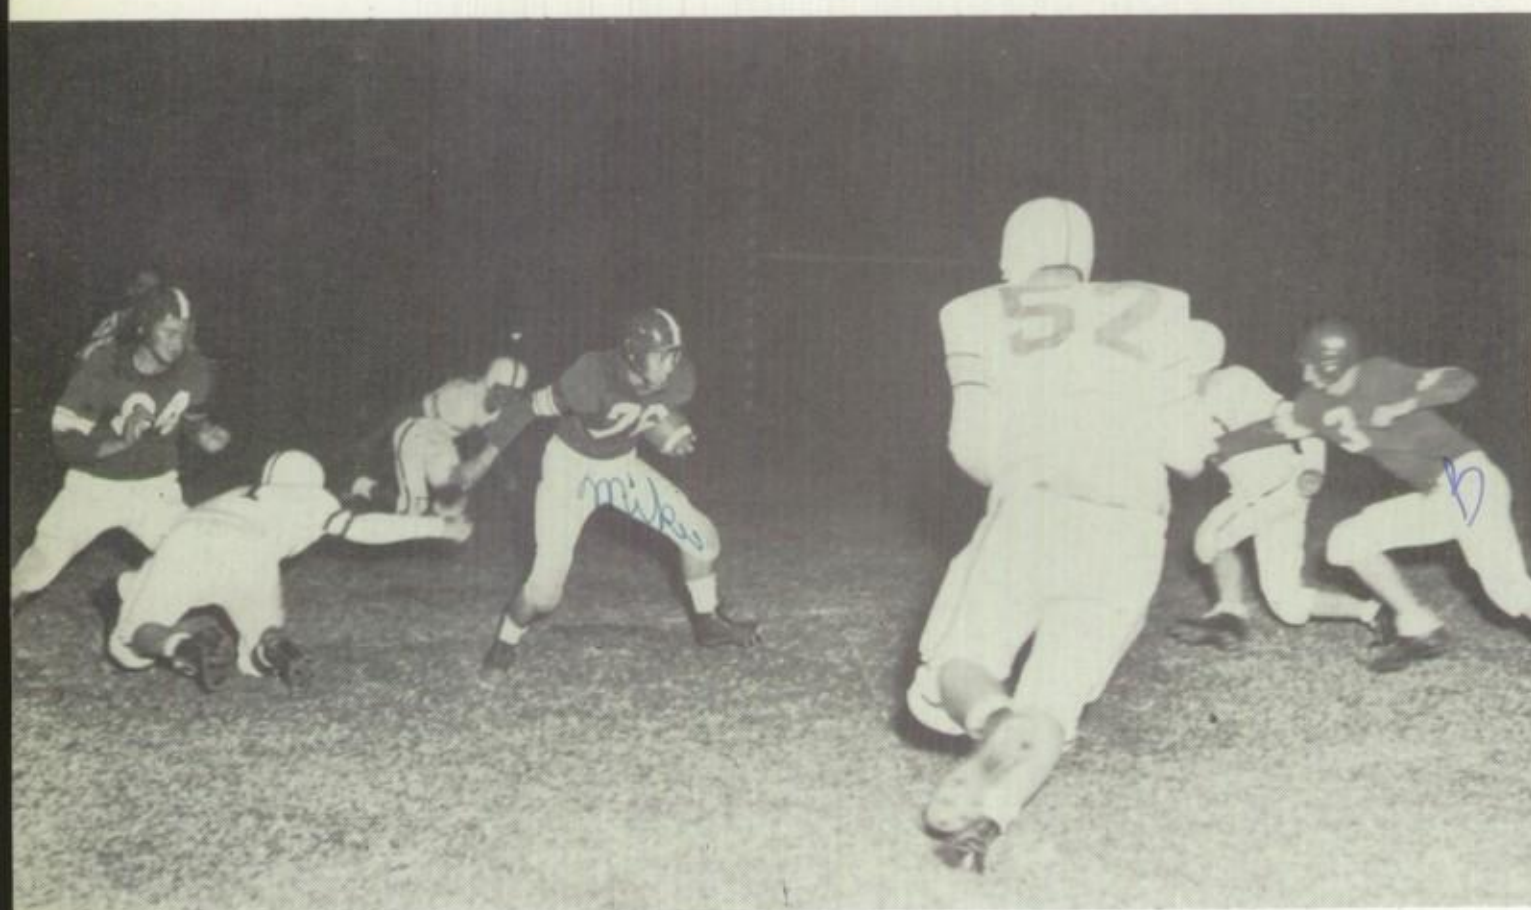

In this game the Buffaloes showed signs of real teamwork. They gave an outstanding performance and really fought hard.

Glendale 32-0

On October 23 the Glendale Cardinals invaded our home territory. The Buffaloes had several breaks and after a hard fought game the Cardinals walked away with a 32-0 victory.

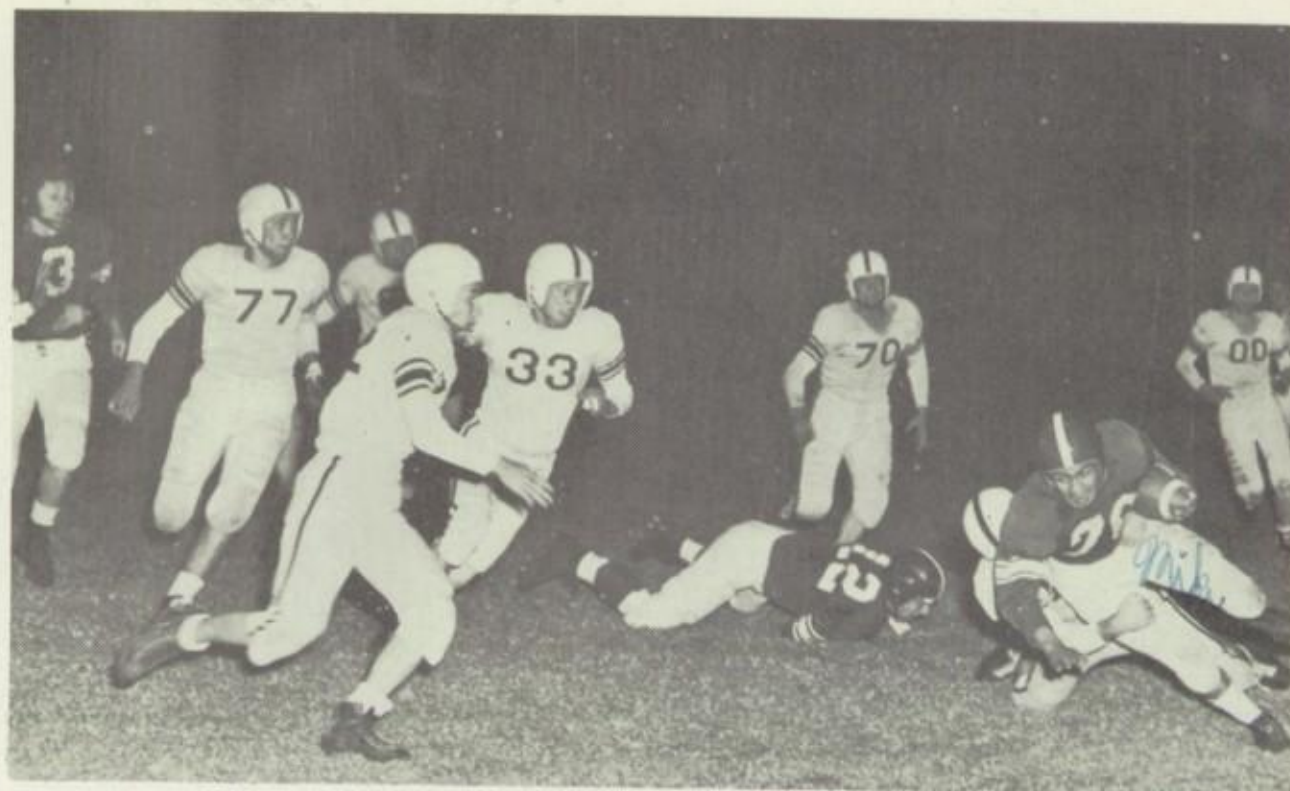

Coolidge 20-19

On October 3 the Buffs traveled to Coolidge to play one of the best games of the season. In the first quarter Mike Alvarez ran 65 yards for a touchdown. John Cunningham ran 69 yards for a second quarter touchdown and he also scored again in the third quarter. The Buffaloes missing one conversion caused them to lose 20-19.

CARVER 45-0

The Buffaloes went down in easy defeat on November 6 to the Carver Monarchs. The Monarchs are one of the toughest teams in the state. Our team tried hard, but the odds were against us.

SUPERIOR 13-13

The game against the Superior Panthers was the closest we came to winning this year. The score was tied 13-13 when the game ended. Last year we also tied the Panthers with the same score, 13-13. It was a very exciting game as all the Tempe fans were rooting hard for a win.

Tempe - Section 7-A

The students of Tempe Union High School can be proud of their basketball team. The team surprised everyone by advancing from an almost defeated position to the runner-up of the conference.

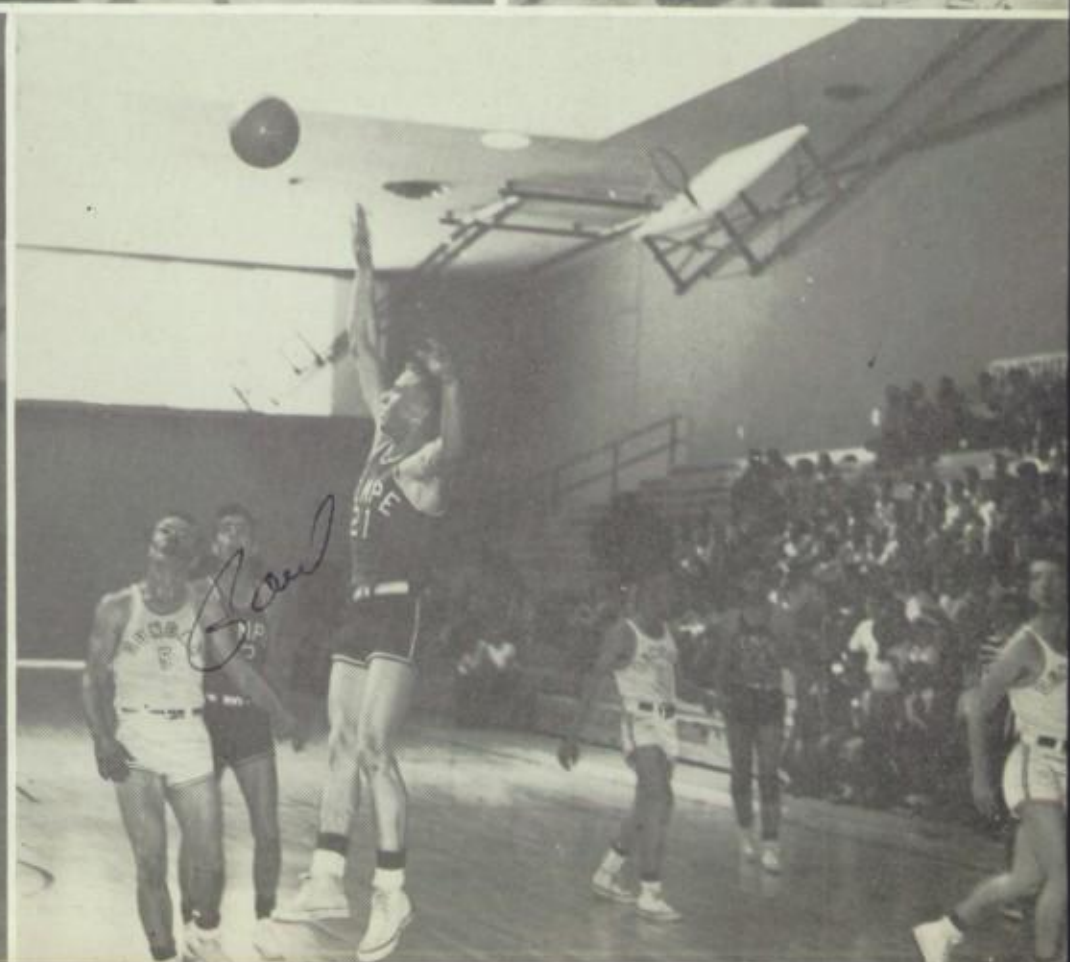

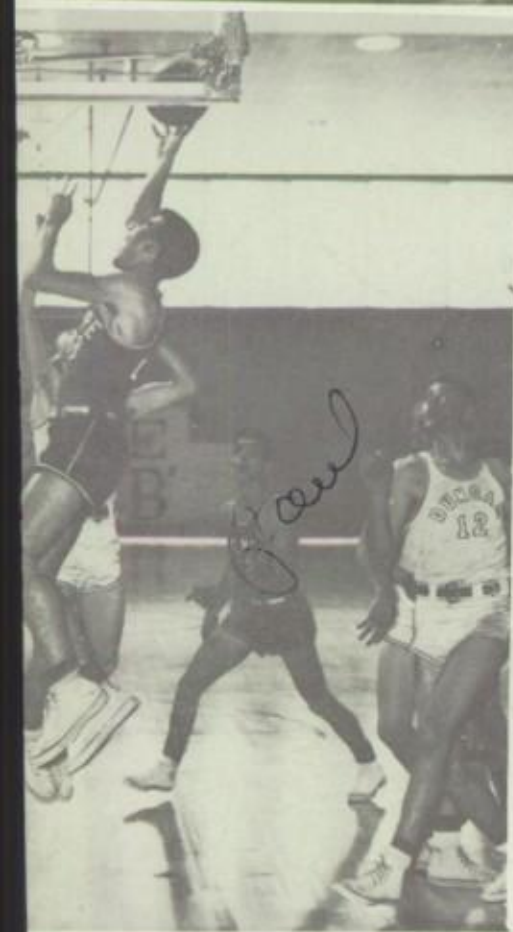

We won our first game from Gilbert, followed by an upset over Superior. This put us in the semi-finals playing against Chandler. During the season we won the first game from Chandler, but they on the return beat defeated us. The semi-final game was a thriller with Tempe coming out on top. Much to our disappointment Casa Grande with her excellent record of no loses completely outplayed our team in the finals.

Tempe was well represented at both the state and the conference games. We can thank the school authorities for the opportunities they gave us to attend. They excused students to go to the state tournament games, which were played during school hours.

Although our team did not make much headway at state they did their best and exhibited outstanding sportsmanship.

Coach Miller can be applauded for his fine work in coaching. He gave both his time and effort to make our team what it was.

Junior varsity teams of any sport are not brought to the attention of the students, but the boys who do go out for them work just as hard as the members of the varsity sports. It pays off for the boys in the long run, because eventually they are put on varsity teams where they get credit for their service.

Baseball is no exception. The freshmen and junior varsity team members work out every day the same as the varsity baseball team. Some are looking forward to a successful season on the varsity next year.

Track games are not very well supported by the students, but to some people this sport leads all the rest in popularity. It is like a three ring circus, because there are always several events taking place at once—races, broadjumping, high jump, pole vault, and discus. Each is exciting in its own way and there is constant activity on the field.

When boys go out for track they have in mind that this is going to be work. If they go out with the spirit of doing their best and keep up this spirit they usually are well rewarded.

Tempe High School Tennis team has been very successful in their matches this year against various other schools. Mrs. Armstrong, the instructor, has given much of her free time to help these girls. The varsity tennis team is composed of five girls along with a few substitutes. These five girls play matches against other girls from other schools. So far this year the tennis team has won eight, lost two, and have tied one.

There is also a Junior Varsity and a Freshman team. They also practice and have a few matches against other schools.

HOMECOMING ROYALTY

Bobby Glover and Marilyn Brechan

Homecoming was an especially big event this year. Floats along with crowning of Queen Marilyn and King Bobby highlighted the intermission as far as we know this was the first year to have floats. The floats proved to be such a success that they are to become an annual event. There was strong competition between the four classes for the honor of winning first prize. Though the seniors won first the other three floats were exceptional.

A new type of pep rally was planned for this event. Instead of having the pep rally after school it was held just before the game. This created a greater participation in the yells, because the students were united as a whole.

The evening didn't end with the game. The students who wanted could attend the Homecoming Dance, decorated with the scenes from the Mardi Gras.

All in all the homecoming events were a huge success.

Due to unfortunate circumstances a picture of the Freshman float was not taken. The theme of their float was "The Big Bad Wolf" and it compared equally with the other classes.

Homecoming Candidates

G. A. A.

The Co-ed is a formal which is an annual event sponsored by the G.A.A. It is a girl-ask-boy affair where everyone has a wonderful time. It has become a tradition to have a G.A.A. Princess who is crowned at the formal. This year it was a close race between Carolyn Powell and Jeri Glover.

Co - Ed

The crowning is always a beautiful moment which takes place during the intermission.

The decorations for the Co-Ed were exceptional. They showed lots of work and original ideas. Their theme was "silver bells." It was carried out in the colors of pink and silver.

The King and Queen after the Coronation ceremony, dance together along with their royal court.

Kathleen Goodwin, ass't Editor places the crown on Jo Jo Craddock as King Aldridge smiles his subjects.

CORONA

Their majesties, Paul Aldridge and Jo Jo Craddock, were crowned Campus King and Queen at the Coronation Ball, March 13. Their court attendants were Mimi Means, Donna Jo Meredith, Don Reynolds, and Al Williams.

Highlight of the THS spring social season, the 1954 Coronation Ball exceeds those of previous years, with exotic decorations in the Hawaiian motif, colorful floral leis, palm trees on every side, and a clever "little grass shack" from which the King and Queen made their entrance. Music was furnished by a seven-piece orchestra.

John and Roann construct peek-proof "grass shack" for their royal majesties.

Rich, Brooks, and Blyth study figures.

Carolyn and Barbara string gay, mad leis later worn by the orchestra.

A moment after receiving their crowns, the King and Queen smilingly acknowledge the applause.

N BALL

Selection of the Campus King and Queen is by student body vote, the results of which are kept secret until the moment for crowning. Paul and Jo Jo were called from the royal "shack" and marched the length of the hall to a double throne. Kathleen Goodwin, assistant editor of the annual, placed the crowns on the heads of the candidates. Paul is Student Body President and Jo Jo is "Horizon" editor.

The closely guarded secret out, King Paul and Queen Jo Jo march proudly to the throne to receive their crowns.

Take Care Of My Little Girl

This year the seniors presented a terrific play entitled "Take Care of My Little Girl." It had a down to earth plot and it was a pleasure to present.

The play directed by Miss Jones was one of the best and most enjoyable that the high school has seen in a long time.

Miss Jones, the cast and the crew can be proud of their wonderful job.

For making an outstanding speech on the "Voice of America," **Frank Williams** was awarded a plaque by the Tempe Junior Chamber of Commerce.

Andrew Nicholes speaking on "The Duties and Responsibilities of an American Citizen" won the oratorical contest at school. In the District he placed third.

Jo Jo Craddock was elected by her classmates and the faculty for her loyal service, her outstanding citizenship and leadership and for her high scholastic standing to receive the D.A.R. award. It is an honor given only to a deserving senior.

Daniel Hall received three gold keys in the National Scholastic Art Competition for his outstanding art work.

Assemblies

Shown above is Miss Henton, Superintendent of the Florence Crittenden Home, who spoke to us at one of our assemblies on "High School Behavior."

The remaining pictures were taken at the Christmas Assembly presented by the Y-Teens.

Armistis Day Parade

We Saw You At The Basketball Game

The basketball games this season were very well attended, especially during the district and state tournaments. The band, the Buffalo Gals, and the cheerleaders put forth all their effort to keep the spirit up and they did an excellent job. This is evidenced by the showing in these pictures. The scorekeepers, too, are to be thanked for their conscientious work.

Pictured here are a few of the gatherings which include the majority of the student body. Four of these pictures are of Pep Rallies. The Pep Rallies this year have been well conducted and fairly well attended, although at times there has been slight evidence of a slipping school spirit.

The center picture was taken at the dedication of the trees located in the Patio. These trees were given to the school as a memorial to Mr. J. T. Birchett.

All Girls Dinner

Open House

NOVEMBER 13, 1953

Open House was a big success this year with a record crowd of about seven hundred people attending. It was the first time many of the parents had had a chance to see the new High School Plant and to meet the faculty.

This type of program is given each year because it gives the teachers and parents an opportunity to become better acquainted. It also encourages the parents to discuss the progress of their children with the teachers.

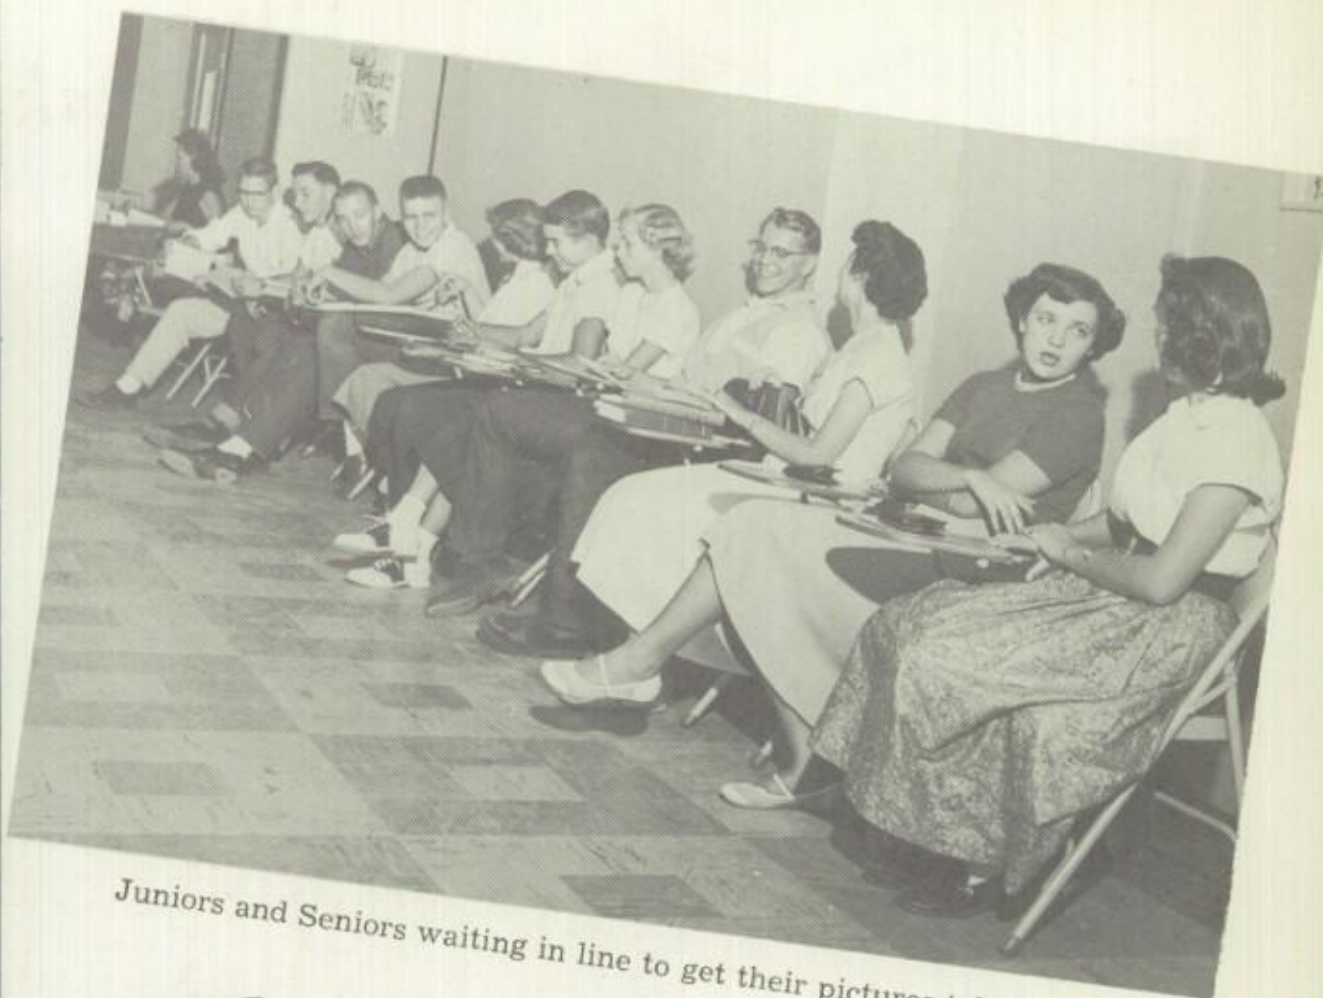

An excellent program was held in the cafeteria for the parents. Speeches were made by Paul Aldridge, Mr. Benedict and Mr. Goodwin. A selected number of Glee Club members sang and a skit was presented by the advanced speech class. Sylvia Crosby did a tap dance and Lois Coppinger gave a humorous reading.

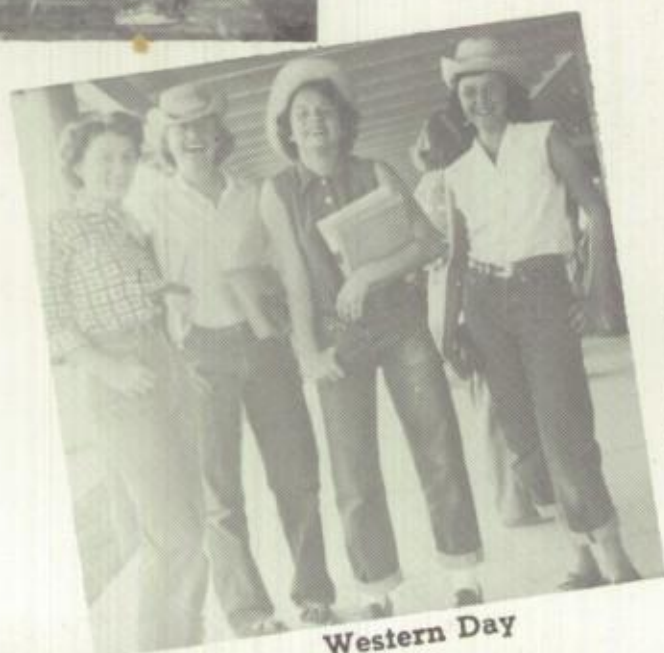

Afterwards refreshments were served by members of the cafeteria staff.

Dim Bulb Contest

Juniors and Seniors waiting in line to get their pictures taken.

Western Day

John Will and David Blesh were the center of attraction during the Dim Bulb Contest. It was sponsored by the Glee Club to raise money for their tour April 22. John Will finally came out on top.

Western Day is heralded with a shout of joy from the girls, because it's the only day the girls are allowed to wear levis. From the merriment pictured on their faces—Jeannie, Kenna Faye, and Margie are having the time of their life.

Slave Day went over big this year with the seniors being the guinea pigs. Underclassmen thought it great sport to rib the seniors for a change. Jonathan Wexler seems to have a smug look on his face. It couldn't be because Ford was his slave, could it?

First Prize
Marilyn Carr

The snapshot contest held for the first time this year and sponsored by the annual staff proved to be one of the most interesting events of the school year. First place prizes, a free annual, went to Marilyn Carr, Peggy Kelly and Cherie Pease. Second place winner was Judy Spangler who received down payment on her annual. Third and fourth prizes were free tickets to the Coronation Ball. Several honorable mentions were given.

WATT'S AHEAD

Only time will tell what's ahead for each of you: maybe fame . . . or fortune . . . or, maybe both. In any case, the real measure of success is not fame or fortune; it's freedom. Freedom to think, freedom to speak, and freedom to act. Your biggest responsibility is the protection of those freedoms for yourself and for others. What's ahead depends on your efforts. Fame and fortune have little value without freedom, so we must all be alert to combat any force that attempts to take our freedom from us.
